Mr. Amon G. Carter,
Fort Worth,
Texas.

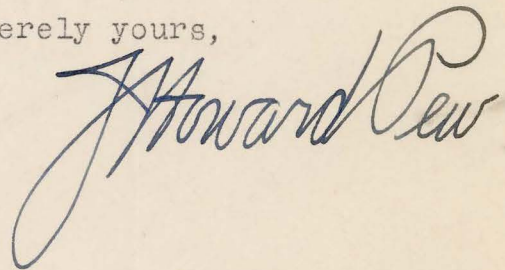

Dear Amon:

Your very good letter came just as I was getting ready to go to Chicago for the annual convention of the American Petroleum Institute.

I have always had a soft spot in my heart for Fort Worth, having in mind the fine time you gave us a number of years ago when our annual convention was held in your city. As to the Spring meeting, we always let the technical men decide this question, because it has not been the practice of the executives to attend this meeting.

With kindest regards,

Sincerely yours,

JHP:B
