Mr. Clarence Ousley  
Globe Laboratories  
Fort Worth, Texas

Dear Mr. Ousley:

You discussed with me some weeks ago the qualifications of Mr. Harry L. Cage.

He has been interviewed by the supervisor of our maintenance service at Fort Worth who reports that his qualifications are good and I am hopeful that we will be able soon to find a place for him in the organization.

Sincerely yours,

  
C. R. Smith  
President
