Mrs. K. Deakins, Secretary to Mr. Carter
Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mrs. Deakins:

Mr. Smith has asked me to answer your letter of August 23.

We have arranged to permit the shipment of the birds from Los Angeles to Fort Worth. Mr. Smith suggests that our Southerner out of Los Angeles, Trip 8, be used rather than the Mercury, because the Mercury does not stop at Fort Worth.

We are attaching a letter which our Manager of Air Express Service has written to Mr. Argabrite, Superintendent of the Los Angeles Division of the Railway Express Agency, Inc. Perhaps Mr. Danciger can contact Mr. Argabrite and arrange for the shipment on that end. It might be well if he wired Mr. Hittson the day the birds were shipped so that Mr. Hittson could arrange to meet the plane when it arrives in Fort Worth.

Our Mr. A. R. Bone, Jr., District Sales Manager in Los Angeles, will be pleased to cooperate and be helpful in any way he can. We believe the shipment will be taken care of in such a way that the humming birds will arrive in good condition.

Sincerely yours,

W. L. McMillen,
Assistant to the President
