Dear Amon:

It was extremely generous of the Directors to vote me the fine bonus at the last Directors' Meeting and I regret the delay in thanking you personally for your part in the matter.

Although we haven't had a very good month so far from passenger standpoint the operation of the air lines in times of bad weather is even more complicated than in good weather and I hope you will pardon my delay in thanking you for your part in this very generous action.

Yours sincerely,

*Ralph*
