Mr. Walter E. Betsworth, Manager
Waterloo Municipal Airport
P. O. Box 718
Waterloo, Iowa

Dear Walter:

I want to thank you very much for the Committee permitting me to sit in on all their meetings last week in Miami.

It was very instructive and I know that I have returned to Fort Worth with much more information than I had before the meeting.

We are looking forward to having you people in Fort Worth in October and we hope that your meeting at that time will be as successful as the Miami meeting.

With best regards, I am

Very truly yours,

M. H. HUFFMAN
