Dear Hervey:

Please accept my thanks for you and the other members of the Committee permitting me to sit in on all the meetings in Miami last week. I learned a hell of a lot.

Do you have the information available on your rates and charges, terms of leases, etc. regarding your concessionaires? If you have, I would appreciate receiving any of this that you can send me.

We are looking forward to being your host in October.

With best regards, I am,

Very truly yours,
