Dear Mr. Carter:

I am sorry that due to conflicting engagements I was unable to connect with you to show you the briefs - the Air Force Academy and the Quartermaster Research Laboratory, which have been sent to Washington.

I have an appointment with Gen. Harmon on Friday and hope to get one with Gen. Spaatz to discuss the Air Force Academy brief. While there I also expect to see the officials of the Sites Board on the Quartermaster Research Laboratory, about which Mr. Foster sent you a memorandum a couple of days ago. I will go over these briefs with you on my return and advise you of the situation in order that you may take such action as you see fit in connection therewith.

In the meantime, I would greatly appreciate it if you would wire Gen. Spaatz, telling him that I will be seeking an interview with him on Thursday or Friday. Anything that you can do to help me get the interview will be appreciated. I expect to take Wingate Lucas and corresponding representatives of Dallas to these conferences. With best regards, I am

Yours sincerely,

William Holden
