Dear Mr. Carter:

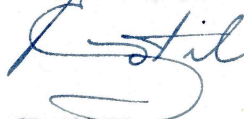

I want to express to you my very sincere appreciation for the fine reception you gave our mutual friend, Mr. Chenery.

Mr. Chenery was most desirous of meeting you, and all of us certainly appreciate your giving up another dinner engagement in order to be with us at River Crest Country Club last night.

I assure you that whenever there is an occasion for me to be of service to you in any manner, it will be a pleasure for me to have the opportunity.

With kind personal regards, I am

Cordially yours,
