

LYNDON B. JOHNSON
TEXAS

United States Senate

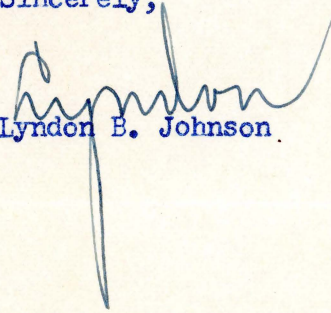

WASHINGTON, D. C.

January 4, 1949

Dear Amon:

You don't know how proud I was when I got your and Raymond's telegram today. I have only one regret--that both of you weren't here to see the final act yesterday. Naturally I was proud, but prouder still of men like you who made yesterday possible.

Sincerely,

Lyndon B. Johnson.

Hon. Amon Carter,
Fort Worth, Texas.
