Monday, Sept. 18

Mr. Carter:

The George-Millikin amendment enables collection of excess profits taxes retroactive to July 1 or October 1, 1950. Note that it was voted September 1.

On last Thursday by a vote 36-34 the Senate refused to concur in the House directive to conferees to insist on an excess profits tax later this year. Record of this vote hasn't arrived yet.

Phil North

Mr. Carter:

The Senate vote September 1st substituting the George-Millikin amendment for the O'Mahoney-Connally amendment was as follows:
