

October 3, 1951.

Honorable Lyndon Johnson  
Senate Office Building  
Washington, D. C.

Dear Senator Johnson:

Before Mr. Carter left the city he told me he had received a letter from you making inquiry concerning Oliver Knight; however, he had misplaced the letter and I have been all this time getting Mr. Knight's address.

He resigned from the Star-Telegram to go back to college and is at the Oklahoma University, Norman, Oklahoma. His home address there is Box 458, Woodrow Wilson Center, Norman, Oklahoma, in the event you should care to contact him.

Yours very truly,

Secretary to A. G. Carter
