Honorable Lyndon B. Johnson,
United States Senate
Washington, D.C.

Dear Lyndon: With apologies, here is another urgent request which I would not send if it were not so important to me as I fully realize you are loaded to the guard PERIOD Senate Bill # 2522 introduced and passed permitting the use of women M.D's in the army and was sent to the House PERIOD It was amended in the House to include Osteopathic Physicians. The bill comes back to the Senate today and I will personally appreciate tremendously if the Bill can be passed without going back to the conference committee PERIOD Sid and I would not be around if it were not for Osteopaths. This is merely an occasion where they are trying to acquire just recognition. Thanks.

Amon Carter
