

THE WHITE HOUSE
WASHINGTON

July 20, 1967

Dear Amon:

Dr. Robert H. Bahmer, the Archivist of the United States, is gathering research material for the Lyndon Baines Johnson Library. He will be writing you shortly because I have given him your name as one of our long-time friends who might have correspondence or memorabilia that would be vitally interesting to future historians.

Amon, I am sure your family has long ago made proud and safe use of your father's papers, but when I think back upon Lyndon's early years in public service - your father's name and influence on Lyndon's career keeps coming to my mind. Perhaps there might be an opportunity for microfilming which you and Dr. Bahmer could possibly discuss.

Mr. Amon G. Carter, Jr.
29 Valley Ridge Road
Fort Worth, Texas

Sincerely
Lady Bird Johnson
