Dear Dr. Bahmer:

Let me apologize for my delay in answering your very kind letter of July 28, 1967. The delay was occasioned by the fact that I was on an extended tour to Australia and other areas with a group of Texas business men and have only recently returned.

I received a letter from Mrs. Lyndon B. Johnson about my father's papers and documents, and I am today replying to that letter. The following is a reproduction of the contents of that letter, which I believe fully explains our situation:

(Here copy part of letter to Mrs. Johnson)

I, as well as all other members of my father's family, appreciate the compliment implicit in your letter and regret that we cannot at this time give a more definite or affirmative answer thereto.

Yours very truly,

Amon G. Carter, Jr.
