IN REPLY REFER TO:

Mr. Amon G. Carter, Jr.

Dear Mr. Carter:

Thank you for your thoughtful letter of August 21, 1967, concerning the deposit of the papers of your father, Amon G. Carter, Sr., in the Lyndon Baines Johnson Presidential Library.

I can readily understand your position concerning the disposition of your father's papers and I appreciate the fact that you must carefully investigate whatever commitment was made between your father and the Texas Technological College. It is, however, my hope, and the hope of all who are concerned with this important project, that it may be possible at some future time to reach an agreement that will enable both the Johnson Library and the Texas Technological College to benefit from the research potential of your father's papers. Several solutions to problems of this type are possible, and I will look forward to having an opportunity to explore them with you in greater detail.

Sincerely yours,

Robert H. Bahmer
Archivist of the United States
