CARTER IN A DENIAL

70 Fort Worth Publisher Says Isn't
in Stop-FDR Move

FORT WORTH, April 29.—(UP) —
Amon G. Carter, Fort Worth news-
payer publisher, wrote Secretary of
Interior Harold L. Ickes today, de-
nying that Texas supporters of John
N. Garner are "anti-Roosevelt."

Ickes last week criticised Carter
for implying in editorials that he
(Ickes) was a "carpetbagger" at-
tempting to interfere with the Tex-
ans' support of the vice president.
Ickes charged that the Garner
movement was solely a "stop-Roose-
velt" affair.
