Dear Mr. Carter -

Congratulations on your stand for Texas in the letter to Secretary Likes. It was a grand letter and a wonderful thought was enclosed for us all.

Mr. Carter, what I am about to ask means very very much to me. You see, these 3 cent stamps are hard to get hold of and therefore I'm careful who I write to. However, I'm writing this letter asking for a letter in return. Won't you write me just a few lines over your autograph? Please do. It is something I want to keep and be proud of.

Thank you sir, and hoping to hear from you, I am

Very Respectfully,

Hill Ray Long
