Fort Worth, Texas

Dear Mr. Carter:

I duly received your favor of April 30th enclosing copy of Secretary Ickes' letter and of your reply to the same for which I thank you. I have read these with much interest and congratulate you on the position you have taken.

Incidentally I may state that your letter was received yesterday and I made use of the material last evening in an address at a banquet in Los Angeles.

With assurances of esteem and best wishes, I beg leave to remain

Very sincerely yours,
