

THE ASSISTANT SECRETARY OF WAR
WASHINGTON

May 8, 1940

Dear Amon:

I appreciate your sending on the editorial page from the TELEGRAM of Monday, April 29. I had been reading a good deal of the press comment here, and I am glad to know what was said in Texas.

I want to talk with you about all this when next we meet, - which I hope will be very soon.

With highest personal regards, believe me

Sincerely yours,

Louis
