

UNITED STATES
DEPARTMENT OF THE INTERIOR
OFFICE OF PETROLEUM COORDINATOR
FOR NATIONAL DEFENSE
WASHINGTON

AUG - 1 1941

Mr. Amon G. Carter,
Star Telegram,
Fort Worth, Texas.

My dear Mr. Carter:

I regret very much that my answer to your telegram of July 16 has been so long delayed and I regret equally that I was unable to follow the suggestion that you made for the location of the Coordinator's office for District Three in Fort Worth.

However, Houston appeared to be the choice of the oil industry generally and I could not do other than to abide by that wish in as much as we are seeking to solve our many petroleum problems in a spirit of cooperation.

Sincerely yours,

Harold T. Peters

Petroleum Coordinator.
