OFFICE OF THE
DIRECTOR

Dear Mr. Carter:

Clare Boothe Luce has given us the opportunity of arranging a few talks for her. She will speak about the crisis in which the world finds itself today, and will be available between May 1 and 15, 1950 and during January and February, 1951.

Her honorarium is \$1500 to be given to charities which she designates. We would be grateful if you would suggest an organization to present her.

Sincerely yours,

Carleton Smith
Director
