Re: General MacArthur Celebration

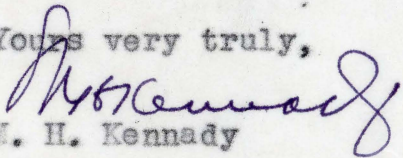

Gentlemen:

I am pleased to report that sufficient funds have been obtained from civic minded citizens to defray the expenses of the MacArthur Day Celebration.

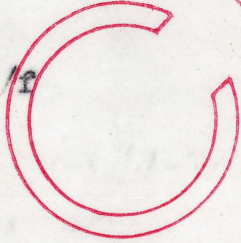

All subscriptions have been paid, checks of which are enclosed herewith, with the exception of the last three shown on the attached list. According to Mr. Joseph this should be sufficient to take care of his budget.

It is suggested that a letter of acknowledgement be mailed these donors, together with at least two tickets to the reserve section at the Ceremony at Farrington Field.

Yours very truly,

  
M. H. Kennady
