Dear Mr. Carter:

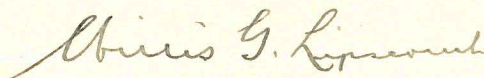

You have, no doubt, seen our new Ticket Office in the Blackstone Hotel, which we moved into a couple of weeks ago. We are very proud of it and have just about gotten settled.

It seems to us that it might be a good idea to have a small, informal opening ceremony and party to which we propose inviting about one hundred of our best friends and patrons in Ft. Worth. Friday, May 2, 5:00 pm has been set as the date and time, and we want to tell you about this now, well in advance, in the hope that it will be possible for you to include this on your busy schedule.

Carrol Hinners will get in touch with you the first of next week to tell you more explicitly about the affair. Any suggestion which you might care to make will be most welcome and appreciated.

I shall be looking forward to seeing you again next Friday with much pleasure.

Sincerely yours

Willis G. Lipscomb
