Mr. Amon G. Carter
c/o Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mr. Carter:

Reference is made to your report of ownership of stock and other interests under section 407(c) of the Civil Aeronautics Act of 1938, covering the period beginning January 1, 1940, and ending December 31, 1940.

The report submitted does not meet the requirements of the regulation inasmuch as you have not shown schedules C, and D, giving the following information with respect to all shares of stock and other interests held beneficially or otherwise, directly or indirectly, (C) in any common carrier, and (D) in any person whose principal business in purpose or in fact is the holding of stock in, or control of, air carriers, other persons engaged in any phase of aeronautics, or common carriers.

The schedules are to be verified and submitted in duplicate, similar to schedules A, and B, as shown in your original report, for the period from January 1, 1940, to December 31, 1940. Where the response to a particular item is "none", or where the item is not applicable, the fact should be so stated.

Very truly yours,
