

July 23, 1941.

Mr. C. Edward Leasure,  
Chief, Proceedings Division  
Economic Bureau,  
Civil Aeronautics Board,  
Washington, D. C.

Dear Sir:

Your letter of July 10th with reference to Mr. Amon G. Carter's report of ownership of stock and other interests under section 407(c) of the Civil Aeronautics Act of 1938, covering the period beginning 1940 and ending December 31, 1940, received.

If you will be good enough to return schedules A and B and other papers sent to you, we will try to complete them as per your request. If you could send an illustrated blank it would help show me what is supposed to be done (they all look just alike to me and ask for the same information). But I shall make an effort to fill in the desired information if you will return the other papers sent you.

Thanking you and regretting the error, I am

Yours very truly,

Secy. to Mr. Carter.
