Dear Miss Deakins:

This will acknowledge receipt of your letter of July 23, 1941, in reference to Mr. Amon G. Carter's report of ownership of stock and other interests under section 407(c) of the Civil Aeronautics Act of 1938, covering the period beginning January 1, 1940 and ending December 31, 1940.

For the purpose of aiding you in the preparation of schedules C and D, which were omitted from the original report, a copy of Section 280.1 of the Economic Regulations is enclosed. By referring to page 6 of the regulation complete instructions concerning the information to be reported will be found. These schedules are to be prepared in duplicate and in the same manner as schedule A of the original report. In schedule C, however, information will be furnished with respect to all shares of stock or other interests held by Mr. Carter, beneficially or otherwise, directly or indirectly, in any common carrier, such as interests in railroads, motor bus lines, etc. In schedule D, show interest held in any person whose principal business in purpose or in fact is the holding of stock in, or control of, air carriers, other persons engaged in any phase of aeronautics, or common carriers. Where the response to a particular item is "none", or where the item is not applicable, the fact should be so stated.

For your information in preparing future reports it is noted that under schedule B, you have listed ownership of stock in Canadian Colonial Airways which should have been shown under schedule A. By referring to paragraph 4, page 6, of the enclosed regulation such information will be found relative to this matter.

Very truly yours,

C. Edward Leasure
