Dear Amon:

I have your telegram about the advertisement and I appreciate it. We spent a lot of time working on that ad and I hope that it turns out well. The subject is well worthy of good treatment.

I cannot be very definite about going West. I am hopeful that I will be able to make it some time around the 15th. If I can, I will let you know and I appreciate your offer of hospitality.

Sincerely yours,

C. R. Smith
