OFFICE OF  
THE PRESIDENT

Mr. Amon G. Carter  
Fort Worth Star-Telegram  
Fort Worth, Texas

Dear Amon:

The matters you and I discussed were brought up at the directors' meeting and were approved.

The question of finances was mentioned and I am going to give some study to the proper procedure in this regard.

The question of equipment was given consideration and gone into in a good deal of detail. I held your telegram until late in the discussion and one could see their gratification when I finally read it to the directors.

When I was in Fort Worth I forgot to ask you about Dr. McKnight. Ralph tells me he was in New York and helped very nicely in settling an excessive bill rendered against us. Will you please give him my regards next time you see him?

It is still pretty hot although yesterday afternoon late we had one of the heaviest thunderstorms I have experienced.

With kindest regards, I am

Sincerely yours,

A. N. Kemp
