Mr. Amon Carter,
Fort Worth, Texas.

Dear Mr. Carter:-

Today I have laid the corner stone of a monument that we are erecting at our airfield in Monterrey in the Mitchell-Thompson Memorial Park that we dedicated to the memory of our good friends Roy L. Mitchell and Hollis R. Thompson, who passed away to a better life recently.
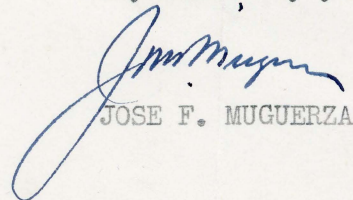

Inside a glass jar, perhaps to be seen by some future generation, we placed a document signed by all employees of American Airlines in Monterrey, and copies of the Monterrey newspapers as well as a copy of the Fort Worth Star Telegram. The document contained a history of the dedication of the Park expressing that the erection of the monument was to perpetuate the memory of those two fine gentlemen that worked for American Airlines.

I know the personal esteem that you had for both Mr. Mitchell and Mr. Thompson, and as Chairman of the Mitchell-Thompson Memorial Park Committee, I am asking you for your cooperation. All employers and employees of American Airlines in Mexico have contributed to the extent of each one's possibilities for the building of this Park, and we are now requesting the cooperation from all American Airlines employers and employees in the United States, as we know that these two men were very well known to all and that everyone will take a pride in contributing to our idea.

I am enclosing a picture of myself at the ceremony when we laid the corner stone. I will send you clippings of the local newspapers with other pictures taken at the dedication this morning.

With kindest personal regards, I remain,

Very sincerely yours,

JOSE F. MUGUERZA
