My dear Amon:

Thank you for the copy of your article of January 11, 1942, in regard to the Midway Airport.

I would appreciate it very much if you will send me a copy of your statement you say you are going to print in your paper in regard to this situation. I am a member of the Dallas Aviation Committee, and I want to get all the facts so I can act intelligently.

You know and respect my position. I am one hundred per cent for Dallas, and I am sure you would have me no other way.

Admiringly yours,

Tom C. Gooch
