Dear Mrs. Deakins:

A few days ago your office so kindly forwarded to Mr. Mosier tear sheets which incorporated correspondence between Mr. Carter and Mr. Ickes, as well as a reiteration of the original editorial. Mr. Mosier appreciated your thoughtfulness in sending this to him, and I would like to take this privilege of asking that you forward us a duplicate set of the tear sheets.

With kindest regards, I am,

Sincerely yours,

Carlene Roberts, Secretary
