

OFFICE MEMORANDUM

October 19, 1943

Date _____

Carter

Mr. _____

Department _____

I called Mrs. Mosier and while she is registered at the Adolphus she has spent no time there as Mr. Mosier is very ill. She appreciated your having me call and will keep me advised, and if she needs anything she will call, meanwhile her physician in Oklahoma City is keeping in touch with the Dallas doctors.

I called Mr. Buck and he will go over in the morning to see about Mr. Mosier.
