OFFICE OF
THE VICE PRESIDENT

December 22, 1943

Dear Amon:

Now that I am back at my office I hasten to thank you for your concerning inquiries during my illness and the considerable interest that you showed during my recovery. I don't know what a fellow would do if it wasn't for his friends, and I feel proud and privileged that I had you to inspire me during the pull.

I believe that I will be able to carry some of the load by January 1 and hope that 1944 will continue both of us in good health so that we can work closer together.

May I take this opportunity to commend you on the editorials that I found awaiting me, particularly those that dealt with International Airways and the foundation for the future. They were beautifully presented and cannot help but have a very strong influence.

Francys joins me in wishing you the happiest of holidays and the most pleasant New Year.

Warmest personal regards,

"Red"

O. M. Mosier
