

MRS. O. M. MOSIER

---

Belmont Plaza Hotel, New York City

Dear Mr. Carter —  
I can not  
thank you enough  
for the three lovely  
pairs of Nylons — that  
you sent to me by

Red. I can not  
remember when  
a gift has pleased  
me so much.

Red is feeling  
bad well since  
his about rest. My  
problem is to  
keep him feeling

this week - and I  
do hope that I am  
able to do just that.  
Thank you again:  
Always.
