Dear Amon:

It does not look like I will have your money clips available by Christmas, but I have ordered them to be made up and they will be coming on to the States as soon as completed. When I get possession of them I will see that they are delivered to you for distribution.

Francys joins me in wishing you, Mrs. Carter, and all our friends at Shady Oaks the happiest of holidays and much happiness in the New Year, and we are looking forward to seeing you sometime around the middle of January.

Sincerely yours,

O. M. Mosier
