COMMERCIAL STANDARD BUILDING  
FORT WORTH, TEXAS

Dear Amon:

Here is a Colt's automatic  
pistol lighter that Red Mosier asked  
me to deliver to you. These are new  
and since you are 'First' in everything  
you should have one.

Red and I were working in  
Dallas on the crash problems and he  
called but missed you. He is going  
to New York today.

Sincerely,

Raymond
