Dear Mrs. Deakins:

Mr. Mosier has just received, through Lestrade Brown, the bill for the four cases of cognac. The total is \$90 and he does not know who received them, but we understood you wanted to know when the bill came in.

Sincerely,

Secretary to Mr. O. M. Mosier

P. S. Incidentally, Mr. Mosier is making up a folio on the European trip, and if you have conveniently available the photos which he sent you, we would like to borrow them back. We will return them to you as soon as they have served our purpose.
