Dear Mrs. Deakins:

Mr. Mosier forwarded your letter of the 1st October to Mr. Deichler, as by and large the Admirals Clubs are administered by Sales. One of our salesmen has had a long talk with Mr. Cahill, incidentally explaining to him about the two Mr. Millers, and we think that by all means he should be commissioned an Admiral. We are, therefore, putting the papers through immediately.

With regards to you,

Sincerely,

Elizabeth Hall
Secretary to
R.E.S. Deichler
