Dear Amon:

Thanks so much for sending me the beautiful colored photographs of Amon Carter Field. They are the finest pictures I have ever seen of the world's finest airport, and I shall treasure them always among my most prized possessions.

I tried to call you yesterday to find out how you are coming along, but was unable to reach you. The reports we receive of your progress sound pretty good, but all of us who have your interests at heart are hoping that you will follow the doctor's orders and not attempt to be too active until your recovery is complete.

We missed you at last week's meetings, but I will be down that way soon and am looking forward to seeing you in better health and fine spirits.

With warmest personal regards,

Sincerely,

"Red"

O. M. Mosier
