Dear Katrine:

We do get all the clippings from Dallas, and it is unnecessary for you to continue to copy us.

I hope Amon is relaxing and improving while on the island, and from all reports it appears that he has broken loose from the house and this might be the forerunner of complete recovery.

Let us know if there is anything we can do to help you with the heavy burdens that are put upon your shoulders during his absence.

With warmest regards,

Sincerely,

O. M. Mosier
