Dear Amon:

It has been a great pleasure to work with you for another year and, although we have had many difficult problems, your good advice and encouragement have brought us to the end of the year with fairly satisfactory results.

The going has been pretty tough for you, but I understand you are recovering, and I will be seeing you between Christmas and New Year's to help celebrate the holidays.

Meanwhile, I want to wish for you and yours the happiest of holidays and good health and good spirits for the coming year and many years ahead.

Sincerely,

"Red"

O. M. Mosier
