Dear Mr. Carter:

I am in receipt of your letter of October 16th, with reference to the National Aeronautics Association Chapter, and wish to say that it gives me pleasure to become a member, and am forwarding to the Fort Worth Chapter, as per your suggestion, a check for \$6.00.

I am always happy and willing to do my part in anything that you are interested in for the benefit of Fort Worth.

With best personal regards, I remain,

Sincerely yours,
