Mr. Amon G. Carter
Star-Telegram
Fort Worth, Texas

Dear Sir:

The Fort Worth Chapter, N.A.A. along with the Aviation Committee of the Fort Worth Chamber of Commerce, is to be host and sponsoring body of a state council of National Aeronautics Association Chapters in Texas on September 14 and 15, 1944. Visitors will be here from all over the State and we hope to have at least five-hundred in attendance. The attendance will be made up of businessmen, city and county officials, and persons interested in aviation in their various communities.

The tentative program has been setup by your Steering Committee (copy attached), with out-of-town speakers for the dinner on the evening of the 14th and luncheon on the 15th. At a meeting of your Board of Directors last week, it was agreed that our visitors pay a registration fee of \$2.50 which covers the actual cost of the two meals. The members of the Fort Worth Chapter are asked to pay \$5.00, which will include the dinner and luncheon and the estimated cost of the cocktail party of which the local chapter will be host.

Your Steering Committee is very anxious to have your remittance in as soon as possible, as the time is short and we are endeavoring to have all our plans formulated for the meeting by the first of the month.

Mr. Lowell Swenson, General Manager of the National Aeronautics Association, will be principal speaker at dinner. Mr. William P. Redding, Treasurer, will talk during the morning session as will Mr. Rex Baxter, Counselor for Texas, and others.

Formation of a State Council of Texas Chapters will not necessitate an increase in your local dues.

With kindest regards, I remain

Very truly yours,

William G. Fuller, President

hj/n
