To the member addressed.

The Fort Worth Chapter National Aeronautic Association is being honored by having Geoffrey F. Morgan, who is head of the Speakers Bureau of Douglas Aircraft Co. Inc., as our guest speaker for the first dinner meeting of 1945. His topic will be "The Shape of Wings to Come".

Mr. Morgan has traveled extensively over the United States and foreign countries and is one of the foremost orators on aviation in America.

The dinner will be held in the Venetian Ballroom, Blackstone Hotel, 6:30p.m., Tuesday February 27. The price of the dinner is \$1.50 per plate.

Because of the importance of the Speaker and the subject to be discussed you are welcome to bring a guest.

Enclosed you will find a self-addressed envelope which we would appreciate your using for mailing your check to this office at once so that we may notify the hotel as to the number of places to reserve.

Very truly,

R. W. Cantwell
