June 1, 1945

OFFICE OF SECRETARY

114 EAST 8TH STREET

To the Members of the Fort Worth Chapter
National Aeronautic Association
Fort Worth, Texas

Dear Member:

The next dinner meeting of the Fort Worth Chapter will be held June 12th, at 7:00 in the Venetian Ballroom of the Blackstone Hotel.

Speakers for the occasion will be L. C. Elliott, Administrator of the Fourth Regional Office, and other top ranking officers. Mr. Elliott will give a regime on the revised regulations pertaining to Civil Aviation including the regulation which permits any licensed M.D. to execute physical examination forms for "Student" and "Private Pilot" applicants beginning June 1, 1945. It will be most interesting to all members of the Fort Worth Chapter.

In addition to the above, we will have as our guest that day Fort Worth's own Staff Sgt. David A. Phillips who will tell us of some of his experiences in escaping from a German Prison Camp. Sgt. Phillips just returned to Fort Worth on Saturday, May 26, and is now home on furlough.

The Fort Worth Chapter is sending invitations to the Tarrant County Medical Society inviting them to attend this dinner.

Through the courtesy of the Ritchey Flying Service there will be cocktails served from 6:15 to 7:00 in the Venetian Ballroom.

Dinner is \$1.50 per plate. You can bring a guest. Please mail your check at once to the office of the Secretary. Thanking you in advance, I remain

Very truly,

R. W. Cantwell, President

W. H. Wright, Chairman

of Arrangements
