Dear Mr. Carter:

You have received, I know full well, during the Christmas season many cards and many letters of appreciation. You are worthy of them all.

I just want you to know that I number you as one of my choicest friends. While it is not my pleasure to be intimately associated with you and I have never had any real work that brought us closely together, yet from a distance I have appreciated you and the services you render to your city, to the state, and to the nation.

It is my hope that with each passing year the ties that bind us may be strengthened. Peace and plenty to you and yours as the coming years unfold before you.

Your friend,

PMN:eal
