

February 1 1944

Dear Mr. Carter:

Admiral Halsey, who recently passed through my headquarters, informed me that you have by now received my cap in exchange for the magnificent Stetson hat you sent me in connection with the Texas Roundup. I would like to thank you personally for this hat, which will bring back very pleasant memories of the great state of Texas.

Kindest regards and best wishes.

Sincerely yours,

C. W. NIMITZ

Mr. Amon G. Carter,
Fort Worth, Texas.
