

February 11 1944

Dear Mr. Carter:

I have just received from Admiral Halsey's flag lieutenant a bottle of fine Scotch whiskey which I assure you is deeply appreciated, and which will be put to good use.

I have not acknowledged this present sooner in view of the fact that Admiral Halsey's plane was delayed on the Coast by weather, and the gift has just been forwarded to me.

Kindest regards and best wishes.

Sincerely yours,

C. W. NIMITZ

Mr. Amon G. Carter,
Fort Worth, Texas.
