Mr. Amon G. Carter,
Fort Worth Star Telegram,
Fort Worth, Texas.

Dear Amon:

You will remember the Air Force Reunion at Madison Square Garden, for you attended.

We made a movie of this, with sound. The show, of course, was three hours long; the movie is about one hour. It shows all of the principal stars and their skits and is, in my opinion, highly entertaining.

It occurred to me that you might want to run this on your television station. We have not attempted to get written releases from all of the participants, for television, by the time we did that we would all be dead. As a matter of fact we do not intend general television distribution, but if you would like to show it we would be glad to send it along for a couple of days. I doubt that any one is going to sue Air Force Association or you for showing a picture of that national interests character.

If you would like it, what size film does the machine take?

Sincerely yours,

OR
