Dear Mr. Carter:

When I was in Fort Worth last week-end I called your office to see if I could make an appointment to come down to meet you. Since two years ago when I started to work for American Airlines as a stewardess, I have been asked by many, many passengers when they found out that my home was in Fort Worth if I knew Amon Carter. Always I have reluctantly had to say "no", and two weeks ago when Mr. Harold T. Ames asked that same question I decided I would do something about it and see if I could arrange a meeting. I was sorry that I missed you while you were in Florida but perhaps sometime in July I will be at home again and you will be there.

At the present time I am in the Stewardess Training School training girls for stewardess work. Mr. Ames attended the last stewardess class graduation which he seemed to enjoy and perhaps if you are in Chicago on one of the graduation days you would have time to attend one also. We would be delighted to have you as our extra special guest.

Again may I say I am looking forward to meeting you.

Very truly yours,

*Mildred Jackson*
